

# RAYNBOW COLLECTIVE

## OUR TEAM

The RaYnbow Council is responsible for running all aspects of the Collective. Our council is comprised of BYU students and non-BYU students, queer persons and allies, those who live in Utah and those who live out of state, and more. Each member comes from a different background and has a unique perspective, and by utilizing their strengths, they come together to help support LGBTQ+ students and other marginalized groups at BYU.

Our council is made of 10 different teams, each with a team lead and team members who have different responsibilities. The teams are Executive, BYU Coordination, Graphic Design and Website, Events, Finances, Social Media, Volunteer Coordination, Grant Writing, Merchandise, and Outreach and PR.
